EDITOR'S LETTER

I daren't ask – is it coming home, or did they, er, come home? To be honest I've had quite enough of all the World Cup hype already, so what better way to escape all the 'They're a nice bunch of lads who've laid the penalty shoot-out hoodoo to rest at long last' than in the company of lovely creatures like of Chloe Toy, Jasmin M and Carmel Anderson taking their clothes off? I'm buggered if I can think of one, so on that note I'll knock it on the head!

RHYTHM METHOD

Dear *Mayfair*,

About a year ago, I moved into a small house in the outskirts of the city. Suburbia, I guess you'd call it, but I've never been fond of the term myself. Anyway, this being my first place outside the city, I obviously hoped my neighbours would be nice, as you always do, but never in my wildest dreams did I think I'd very quickly be fucking the girl next door!

The day I moved in I met her dad, Bill, as he was leaving for work and had a pleasant chat with him. He jokingly apologized for the "racket" that I would inevitably have to endure at some point that day as his daughter regularly played her drums in their garage, which was adjoined to mine. I laughed and told him not to worry, as I'd been a keen drummer – although not a particularly great one – for the last 10 years. He grinned and said I should pop over and have a chat with her at some point soon.

So a few hours later, I was just unpacking a box of books when I heard the forewarned rhythmical banging coming from the front of the house, I decided to take a break and wander over. I had a couple of empty boxes to put in my garage anyway, and I was curious to meet this tub-thumping neighbour of mine.

After dumping the boxes in my garage, I poked my head around the open door to my neighbour's garage. Bill's daughter

if she was taking the piss or not.

"I'm Micki, by the way," she announced, shoving her hand in my direction for me to shake. I studied her as I took it; she looked to be in her early twenties with shoulder-length black hair and a cute, turned-up nose, which was adorned with piercings. Her black vest revealed toned arms and a small, pert bust – although I was conscious not to look too closely!

I complimented her on her drumming style and skill and mentioned, as casually as I could, that I (try to) play the drums and I was really impressed with her. She laughed and quickly retorted: "Is it my skill or me that impresses you the most?"

I'm not used to girls being flirtatious with me and I blushed. She laughed again and asked if I fancied bringing my kit over for a jam session sometime soon. That'd be fun, I told her, my embarrassment only just subsiding. It turned out that Micki was back for the summer from university and crashing at her dad's place to save money. We chatted for a while until I told her I'd leave her to it, said bye and turned

WEBB OF WONDERS!

Dear *Mayfair*,

Sadly there don't seem to be that many black models on the glamour circuit in this country, but if the pictures you featured of Jasmine Webb in your latest issue are anything to go by, I for one would certainly welcome a few more! What an absolute joy it was to behold her glorious breasts and that wondrous rump – she certainly looks like she wouldn't take any nonsense from the men in her life. But one question – what was that with the puffy shirt? Did the photographer intend the set as a tribute to the famous *Seinfeld* episode? If so, you really ought to have mentioned it in the blurb!

Anthony, Newark.

Hmm, yes, that is a bit of a puffy shirt, isn't it? Not that it made Jasmine look like a pirate or anything – at least not the sort you wouldn't want to board your ship! – The Ed.

was playing a huge Pearl kit with her back to the door. She suddenly stopped playing and as she turned around, it dawned on me that she had sensed she had company. She looked questioningly at me, as you would any stranger, so I quickly introduced myself, explaining that I'd just moved in next door and that I'd bumped into her dad that morning. She smiled and said, "welcome to the neighbourhood", but I wasn't entirely sure

SIBYL-Y THE BEST!

Dear *Mayfair*,

What a delightful surprise, after a six months' absence (but which felt like years!) from the lady features selection of *Mayfair*, for our eyes to be able to feast once again on the beautiful, clearly intelligent face, flowing locks and flawless curves of Sibyl.

As a man of almost 65 now, certain functions can't always be taken for granted as once they were, but each issue of *Mayfair* features some beauty or other who's guaranteed to get everything fired up and working properly again, and naturally this month it was Sibyl, with her perfect breasts, stiff nipples, strong thighs and welcoming pussy! All I can say is thank you for introducing us to this talented young lady's charms, for inviting her back again and for (hopefully!) featuring her regularly in the months and years to come.

Kevin, Lincs.

Thanks Kevin - Sibyl certainly does seem to have struck a chord with a lot of our readers, so rest assured, we'll be doing our best to get her back in the magazine as often as we possibly can! - The Ed.

to leave. I was barely out of the garage door when she called: "I meant it, ya know! Bring your skins round and we'll have a jam... It'll be cool."

And with that, she swivelled back to her kit and turned her attention back to hammering out the complicated rhythm that I had interrupted.

A couple of days later, I was in my garage sorting out some crap to throw away, when I heard a wolf-whistle behind me. I jumped out of my skin and spun around to find Micki leaning against the doorframe with a grin like a Cheshire cat plastered across her face. My eyes drank her in thirstily. She had a pair of little running shorts on with a matching vest top - and was clearly not wearing a bra.

"Hard at it?" She purred, flirtatiously. I chose to ignore this remark and instead asked, "How's the drumming?"

She wandered in beating a tattoo on her bare thighs, the sexy grin still on her pretty face. "Not bad, cheers. Fancy a break?" I was a little surprised. To be honest, I had suspected she might've just been being polite when we met. But the fact that she'd sought me out cheered me up no end. She was hot! I nodded and followed her as she led the way out of my garage, next door to hers. It occurred to me that I hadn't even asked what we were doing and, just as I was about to ask, she closed the garage door and turned to face me, the huge grin now a wry little smile dancing around her full lips.

I failed to realise she was moving towards me, my mind slow to catch on to what was happening, so when I felt her hand on my chest I was surprised. Snapping out of it as she moved in for a kiss, I wrapped my arms around her waist and planted my lips on hers softly. She responded by roughly shoving her tongue in my mouth, her hands suddenly everywhere. I wasn't sure how she managed to grope my arse and simultaneously slip her other hand down my jeans to give my now throbbing cock a playful squeeze. This girl was wild!

I pushed her vest up and my fingertips brushed against her braless, hardening nipples. She gasped and, encouraged, I bent my head to suck one little nub into my mouth, rolling it around and gently tonguing it. This seemed to do it for her and she pulled her hand out of my jeans and frantically began undoing my belt and fly, almost desperate to get to my rock-hard prick.

As Micki started to wank away at my stiff meat, I pushed her shorts down and peered over her shoulder to admire her pert bum. I ran my hand over her taut body, tracing my way towards her cute, shaven pussy. As I dipped my fingers into her wetness, her fist pumped faster and faster until it was almost too much to bear and I knew that I'd come soon if I wasn't careful.

There was no way I was going to miss out on fucking this sexy little minx, so I pushed away and told her to bend over the drum stool. She did, pushing her amazing arse in the air to allow me access to her soaking pussy. She begged me to fuck her hard as she reached behind her and, finding my rigid tool, guided me inside her warm, wet cunt. She was so tight! I groaned as I sank into her and she pushed back, swallowing every inch I had.

"Now, fuck me!" Micki half-ordered, half-begged me, as she reached behind her and grabbed my bum, pulling me into her. I wasn't going to argue and set about giving her a right good shagging, pounding in and out of her as she whimpered, moaned and yelled encouragement. She pushed back to meet my thrusts and when she yelped that she was going to come, I went at it hammer and tongs, our skin slapping against each other.

Micki came hard, her pussy pulsating and convulsing around my length, which, in turn, made me come too. I shot my seed deep inside her climaxing snatch, enjoying the way she shuddered as her orgasm hit and then subsided.

We both collapsed for a few moments, exhausted from the exertion, before I pulled out and we pulled our clothes back on.

Micki and I fucked - and drummed - our way through most of last summer and it was blissful. We agreed that it should always be no-strings sex and it seems to work for us. She is the most exciting lover I've had and I'm a bit gutted that she decided to stay at Uni this summer instead of coming back to home to her dad's. She is, however, back for Christmas and I can't wait to see what we can get up to!

Ken, Bexley.

DEBBIE DOES... FRANK

Dear *Mayfair*,

My wife and I have always enjoyed a fairly honest relationship, exploring each other's fantasies and making sure that we're both fulfilled in the bedroom. However, when Debbie suggested getting another man involved, I have to admit that it took me a back somewhat. It was something that we talked about for ages and took a long time to decide on. However, once we had both had time to get used to the idea, we decided to give it a go. Debbie had explained that it wasn't that I didn't satisfy her, more that it was a fantasy of hers to do it with two men at once, to be a totally wanton woman for one night. Given how many men -

Simon, Cabbage Patch Dolls, Buzz Lightyear, Furbies – there have been plenty of must-have toys over the years that have fallen from favour after a season or two, but there's one toy out there that we're pretty sure everyone in their right mind would love to play with – Chloe Toy!

“Well, maybe that's true! I'm squarely in the Furby generation when it comes to those toys myself, though – I think I had three at one point! But what the hell's Simon?”

Oh, it was a sort of disc with four coloured lights on the top that you had to press in the right order.

“Wow, that sounds like fun.”

myself included – have fantasised about doing it with two women at once, I couldn't really blame her for having similar thoughts.

We agreed that the man we picked would be someone we both agreed on, someone we didn't know personally, and that we'd meet on neutral ground. Eventually, we made contact through a website with a guy in Bury called Frank, who seemed ideal. We talked on the phone a couple of times and met up for a drink, prior to committing to anything sexual. His motives were pretty simple – he liked sex but didn't want a relationship. That seemed fair enough, so once the terms had been agreed, we made arrangements to spend the night at a place we found on AirBnB house in Leicester.

Frank was waiting for us when we arrived, and the three of us settled down for a meal before getting on to the main event. I think all three of us were nervous, but I'd brought along a couple of mucky movies, which we put on the DVD player. This got us more in the mood, and when Debbie invited Frank to join us on the sofa, I knew things were about to get going.

Now, even though we'd talked this through a lot, I still got a major twinge of jealousy when Frank leaned in and kissed

then moved over and sucked me off as she wanked Frank. It was all getting pretty intense, and watching her move back and forth from cock to cock was really horny.

Debbie then lay on her back and told us to get naked and undress her, which we did. Then she told Frank that she wanted to feel his dick inside her, so he reached over and grabbed a condom – as we'd agreed – before moving back, slipping it on, and easing it into Debbie's

juicy fanny. Meanwhile, I shuffled round to her head and stuffed my hard tool into her mouth. This was what Debbie said that she had wanted – to be filled with cock at both ends. And Frank and I were more than happy to oblige!

We started to seesaw – me thrusting into Debbie's willing mouth as Frank pulled out, and then the reverse – and from her moans of pleasure it was obvious that she was getting off on it. Pretty soon, she tapped me on the arse to tell me to pull out.

"Babe, I don't think I can do you both at once much longer. Let Frank fuck me, and then you fuck me." Debbie's face was flushed and she was breathing really fast as Frank continued to hammer into her snatch. She was moaning and whimpering as his thrusting speeded up, and I could tell that she was really getting off on it. Frank must have been as turned on as Debbie was, because within a couple of minutes he came, grunting and groaning before slumping over her for a few seconds, then pulling out, making sure not to spill the contents of the condom.

Debbie looked over at me. "Well, come on then..." I shuffled round so that I was

NO QUIBBLES!

Dear Mayfair,

So, am I right in thinking that your recent policy of featuring girls who don't exactly put it all on show is being reconsidered. In 358.08 very single girl treated us to a genuine eyeful of pretty much everything they've got, with possibly only Carla Howe holding a little something in reserve. Still, with girls as sexy as Jasmine, Zara, Sibyl, Bexie and Lena showing off their beautiful pussies, it'd take some nerve to quibble.

Stu, Ipswich.

Debbie for the first time. As he snogged her, she reached behind with one hand and felt her way to my crotch, starting to rub it, to bring me to stiffness. Rather than sit there, I got involved, pushing my hand between Debbie's legs, which parted for me, and rubbing her fanny. Even through the knickers and tights she was wearing, I could feel the heat coming off her.

Debbie broke off from Frank long enough to tell me to finger her, so I ripped her tights at the seam and slipped my hand inside and underneath her knickers. Her slit was already wet, and two of my fingers slid inside her pretty easily.

Debbie started to push against my hand, and my fingers slid deep inside her. Frank was really getting into it too, and he'd opened her blouse and pulled her bra down, exposing her tits. As he continued to snog her, he kneaded her tits, and I concentrated on frigging her slit.

Debbie eventually pushed away from both of us and dropped to the floor in front of the sofa. She was obviously turned-on, and she told us both to get our pricks out.

Well, it was a bit of a struggle – given how stiff they were – but we eventually managed it, and Debbie was staring at two raging hard-ons. She smiled and grasped them both, leaning over us as she took Frank in her mouth and wanked me off,

between her legs, looking at her puffy, pink pussy. She was already really juiced up, and my cock slid inside her without any trouble. She looked up at me, said, "Fuck me good and hard," and then ordered Frank to bring his cock round so that she could lick the come off it.

I'd never seen Debbie act like this, and I have to admit that it was a real turn on. Even though it was odd watching my wife sucking another bloke's dick, the sheer raw sexiness of it made it pretty easy to overcome any feelings of jealousy I was having. It was astonishingly horny, thrusting in and out of her snatch as I watched her licking Frank's cock clean, and even though I tried not to, I came pretty quickly, shooting my load hard and deep inside Debbie's minge.

We fucked a couple more times that night, until Debbie's fanny was too tender to carry on, and in the morning we went our separate ways. I think it has made our relationship that little bit more exciting, and Debbie's now suggesting it might be fun to get a girl involved. Well, I've got absolutely no concerns about that!

Alan, Hatfield.

Whatever your political views, there's definitely one thing to be said in favour of Fidel Castro's regime in Cuba – it enticed Sabrina's parents to flee the island and, therefore, allowed the rest of the world to have a proper squizz at their stunning daughter!

"Ha, yeah, I guess that's true! They both got out in the 70s when they were students, and... well, one thing lead to another and I was born in 1990! I guess I wouldn't have been able to pursue a career as a model if I'd grown up in Cuba, so yes, we can probably thank Castro for that, if nothing else!"

Well, the men of Cuba won't be thanking him for policies that meant that you don't live there!

SHELBY...

ROARING ROUND THE MOUNTAIN!

Like a bit of muscle under the engine? Then prepare to cream your strides over the new Mustang GT500!

Our man on the inside's been sniffing round the new Mustang GT500, and he's getting a bit high on the fumes already...

So what's one of the greatest car films ever? Well *Gone in 60 seconds* must rank somewhere in the top ten, but, which car springs to mind when thinking about this film? There's only one - 'Eleanor'.

'Eleanor' is the only Ford Mustang Mach 1 in history to receive star title credit in a movie. The Eleanor name was then reused

on tap, which is 33 more than Dodge's Hellcat-powered models and 214 more than the GT350R, the next model down in the Mustang hierarchy. It will eschew the GT350's naturally aspirated 5.2-litre V8 and instead use a brand new 5.0-litre V8 engine equipped with a pair of turbochargers and direct fuel-injection. The eight-cylinder's output will be channelled to the rear wheels only, but transmission options remain unconfirmed at this point.

seems way more likely.

The guys at 'Car and Driver' think the GT500 will get a 5.2-litre V8 similar to the flat-plane unit used in the GT350, but with a traditional cross-plane crankshaft.

There have been images leaked of

IT WILL USE A BRAND

AND DIRECT FUEL

a Shelby GT350 with a supercharged engine, claiming that what's shown is a GT500 prototype, but that remains unconfirmed. This could turn out to be a prototype for a factory supercharger

kit for the Shelby GT350, not necessarily a GT500.

Ford recently released this rendering of a GT500 seen from above, and there are a few interesting details to point out. There's a big carbon-fibre wing, and the hood looks quite interesting too. It has a huge heat extraction vent, presumably for the supercharger, and it looks like it's raised up quite a bit in the centre for clearance. It must,

therefore, be a big supercharger.

With all that power under the hood the GT500 might well be good for a solid 200mph when flat-out. The thetruthaboutcars.com uncovered information on the speedometer verification procedure for the GT500 that seems to indicate this Mustang's impressive top-speed capabilities.

It's been reported that the GT500 will likely get two transmission choices, a six-speed manual or a new 10-speed auto co-developed between Ford and GM. The GT500's supercharged V8 has a flex plate instead of a flywheel, indicating automatic availability. Ford is already using its 10-speed gearbox in the 2018 F-150 and Mustang, and tellingly, it's also available in the GT500's most obvious rival, the Chevrolet Camaro ZL1.

for a Shelby Mustang GT500 in the 2000 *Gone in 60 Seconds* remake.

Official details on the upcoming GT500 remain thin, but we've got a decent idea

THE GT500 WILL
LIKELY GET TWO
TRANSMISSION CHOICES,

A NEW 10-SPEED AUTO.

of what to expect and the recent rumours claim that the new Mustang Shelby GT500 will have no less than 740 horsepower

Ford are saying that the Shelby GT500 will arrive next year, and we expect a launch in January at the Detroit Auto Show. That means it'll likely share the stage in Detroit with another long-awaited revival, the 2020 Ford Bronco.

A 2019 debut will likely mean that a car will be a 2020 model-year, but as has been reported, Ford's VIN decoder indicates that the 2019 Mustang will be sold with a supercharged V8. That means the GT500 could very well be a 2019, and that brings us neatly to the next section...

The GT500 is Ford's answer to the 650-hp Chevrolet Camaro ZL1 and the 707-hp Dodge Challenger Hellcat, so everyone is predicting it'll get a powerful V8. A twin-turbo V8 was rumoured as a possibility, but a supercharged, like the last GT500,

“WITH ALL THAT POWER UNDER THE HOOD, THE GT500 MIGHT WELL BE GOOD FOR A SOLID 200MPH WHEN FLAT-OUT.”

A video surfaced on YouTube from the Mustang6G forums of a GT500 test mule accelerating slowly. If you listen closely, you can hear the car quickly shifting up gears. This car certainly doesn't sound like it has a manual, but it's hard to tell whether it's a 10-speed auto or an entirely new dual-clutch gearbox, as Mustang6G speculates. While we'd love to see a DCT in this car, the 10-speed, which is already in the new Mustang GT, likely makes the most sense.

The manual seems like a definite, though, which will surely excite enthusiasts. Both the Camaro ZL1 and Challenger Hellcat offer manuals, so we'd be surprised to see Ford go auto-only with the GT500.

The Mustang was face-lifted for 2018, but the Shelby GT350's looks remain unchanged.

Ford is testing the GT500 against some stiff competition too. The GT500 was testing in Arizona with a Camaro ZL1, which seems like an obvious target. After all, the previous-gen Mustang GT500 and Camaro ZL1, both supercharged brutes, squared off back in 2012.

A less obvious rival for the GT500 is the Porsche 911 GT3, and interestingly, a photo has been leaked showing the two cars side by side. This doesn't mean that Ford is trying to build a GT3-rival though. Car manufacturers often benchmark other cars just to study one or two particular elements.

There's a lot unknown about the GT500, but thanks to the few details Ford has confirmed and rumours swirling around, it sounds like it'll be a monster. We can't wait to find out and hear and see this beast on the road.

Ah, well we're over half way through the year now (I know, what's going on there?!) so it's high time we inducted another newbie into the *Mayfair* ranks, don't you think? Home Counties hottie Carmel might sound a bit plummy, but word has it she's far happier with something other than a plum in her mouth...

"What are you trying to suggest?!" she says, feigning mock outrage. "Oh, alright, I'll admit it – giving blow-jobs is one of my favourite pastimes. I've been told I'm very good at it!"

We'll be the judge of that. Please...?

As you'll find out if you turn to page 72, adult legend Mia Malkova was in Blighty recently making a film for Private, so what did she make of her time in The Smoke?

"Oh, I love to travel, so it was great. I did all the touristy things, of course – Buckingham Palace, Big Ben and that, although Big Ben was all covered in scaffolding, which was a real bummer!"

But you managed to get off the tourist trail for long enough to film a mucky movie.

"Oh sure. Palaces and clocktowers are all very well, but you can't beat a bit of cock when you're travelling as well!"

GENTLEMEN, That Reminds Me

Want a sidesplitter or three? Well move along, there's nothing for you here, we're afraid! Email us your efforts at: mayfair@paulraymond.com or send them to: Mayfair, 23 Lyon Road, Hersham, Surrey, KT12 3PU.

There was a man who worked for the Post Office and his job was to process all the mail that had illegible addresses. One day just before Christmas, a letter landed on his desk, simply addressed in shaky handwriting to "God".

With no other clue on the envelope, he

you are my only hope. God; can you please help me?"

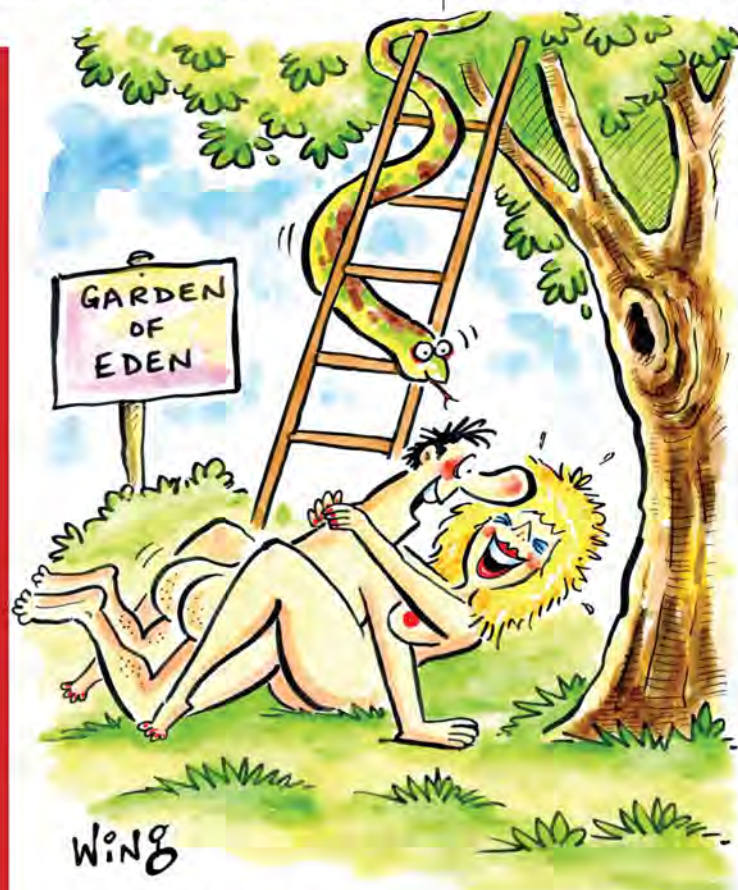

The postal worker was really touched, and put a copy of the letter up on the staff notice board, at the main sorting office where he worked. The letter touched the other postmen and they all dug into their pockets and had a whip round. Between them they raised £96. Using an official franked Post Office envelope, they sent the cash on to the old lady, and for the rest of the day, all the workers felt a warm glow thinking of how nice they had been.

Christmas came and went.

A few days later, another letter simply addressed to "God" landed in the sorting office. Many of the postmen gathered around while the letter was opened.

It read: "Dear God, How can I ever thank you

enough for what you did for me? Because of your generosity, I was able to provide a lovely dinner for my friends. We had a very nice day, and I told my friends of your wonderful gift – in fact we haven't gotten over it and our Vicar is beside himself with joy. By the way, there was £4 missing. I think it must have been those thieving bastards at the Post Office."

"What a great day Eve - discovering sex AND board games!"

opened the letter and read: "Dear God, I am an 83-year-old widow living on the State pension. Yesterday someone stole my purse. It had £100 in it, which was all the money I had in the world and no pension due until after Christmas. Next week is Christmas and I had invited two of my friends over for Christmas dinner. Without that money, I have nothing to buy food with. I have no family to turn to, and

A junior school pupil told his teacher he'd found a cat, but it was dead.

"How do you know that the cat was dead?" She asked her pupil.

"Because I pissed in its ear and it didn't move," answered the child with genuine innocence.

"You did WHAT?!" the teacher exclaimed in surprise.

"You know," explained the boy, "I leaned over and went 'Pssst!' and it didn't move."

M

A man walked into a public toilet where he found two cubicles, of which one was already occupied. So he entered the other one, closed the door, dropped his trousers and sat down. A voice came from the cubicle next to him: "Hello mate, how are you going?"

He thought it a bit odd but not wanting to be rude, replied, "Not bad, thanks."

After a short pause, he heard the voice again "So, what are you up to mate?"

Unsure what to say, he replied, "Umm, just having a quick poo... How about yourself?"

He then heard the voice for a third time...

"Sorry mate, I'll have to call you back. I've got some dickhead in the loo next to me answering everything I say."

M

Pierre, a brave French fighter pilot, takes his girlfriend, Marie, out for a pleasant little picnic by the River Seine. It's a beautiful day and love is in the air. Marie leans over to Pierre and says, "Pierre, kiss me!"

Pierre grabs a bottle of Merlot and splashes it on Marie's lips.

"What are you doing, Pierre?" says the startled Marie.

"I am Pierre, the fighter pilot! When I have red meat, I have red wine!"

She smiles and they start kissing. Things began to heat up a little and Marie says, "Pierre, kiss me lower."

Our hero tears her blouse open, grabs a bottle of wine and pours it on her breasts.

"Pierre! What are you doing now?" Asks the bewildered Marie.

"I am Pierre, the fighter pilot! When I have white meat, I have white wine!"

She giggles and they resume their passionate interlude, and things really start to steam up.

Q: How many Alzheimer's patients does it take to change a lightbulb?

A: To get to the other side.

Marie leans closer and whispers, "Pierre, kiss me much lower!"

Pierre rips off her underwear, grabs a bottle of Cognac and pours it on her lap. He then strikes a match and ignites the Cognac. Marie shrieks and dives into the River Seine. Standing waist deep, Marie throws her arms into the air and screams furiously, "Pierre, what the fuck do you think you are doing?"

Our 'hero' stands and says defiantly, "I am Pierre, the fighter pilot! If I go down, I go down in flames!"

Rather like buses, you can wait ages for one saucy newbie from Hertfordshire to beat a path to your door, and then two come along at once! (They'd be a bit more fun to ride than buses, mind!) First there was Carmel, and now we have Babestation beauty Jasmin M, who's braved the morning horrors of the M1 and M25 to be join us for this shoot – and we're damned glad she did!

"The journey wasn't that bad – and besides, I'd go further than that to appear in *Mayfair*!"

Aw, you say the nicest things!

Scene from MAYFAIR

Three offerings with more-or-less flawed (or perhaps that should be 'floored') central characters for you this month. Hey, nobody said life was going to be an easy ride!

JOURNEY'S END

2018, of course, will mark the centenary of the end of the First World War, and throughout the last four years there have been many anniversaries of particularly momentous battles, but while the Second World War has inspired hundreds of films, its predecessor's been given pretty scant regard. There are one or two classics – *All Quiet On The Western Front*, say, but not much else, so this adaptation of the 1928 play by R.C. Sheriff (who would later write the screenplay for last month's *The Dam Busters*, fact fans!) makes a welcome addition to the slender ranks. Asa Butterfield plays a fresh-faced officer who joins the division of an old schoolfriend (Sam Claflin), but finds the carefree chum of his youth drastically altered by the effects of trench warfare. It's a claustrophobic, nervous film that lays bare the shattering effects on both mind and body of such a terrible conflict, and stands as a powerful testament to all the lives lost in the war.

PATRICK MELROSE

Benedict Cumberbatch is always worth looking out for, so it was a bit of a shame his latest starring vehicle was tucked away on Sky Atlantic, which pretty much guarantees microscopic viewing figures, and not much media coverage outside those papers with a vested interest in Sky! Luckily, here it is on DVD now – a whopping 5 hour-long episodes based on the largely autobiographical novels by Edward St Aubyn. Cumberbatch is in the eponymous role, playing a well-heeled hedonist whose careering about London and New York following the death of his appalling father (*Lord of the Rings*'s Hugo Weaving). Set in the 80s, it's a natty recreation of the decades highs and lows, and Cumberbatch is cracking as he flits from one sordid nadir to another in a futile attempt blot out the pain of a particularly horrendous childhood.

JOURNEYMAN

It's hard to think of a sport that's inspired more great films than boxing, and it's easy to see why – yes, missing a penalty or a putt might be a wee bit traumatic under certain circumstances, but let's face it, it's not quite the same as getting punched in the head until you're unconscious! And when it comes to drama that doesn't pull its punches, writer, director and star Paddy Considine's already got form with 2012's bleak *Tyrannosaur*, so it's a pretty fair guess that this film isn't going to be a stroll in the park either. Considine plays Matty, a boxer who, while retaining his title, sustains a brain injury that fells him soon after the fight is over. The journey, then, is one of recovery, with the support of his devoted wife (soon to be *Nurse Who* Jodie Whittaker) in a wonderfully-acted and moving film that, come to think of it, isn't really about boxing at all...

■■■■■■■■

We rather fell for Lucy when she made her *Mayfair* debut back in 58.03, so we thought we'd waste no time in getting her back again, but it seems she's been busy girl since then...

"Well, yes, It's all been a bit of a whirl, to be honest. I've been living out of a suitcase for the last couple of months, really, travelling here and there either modelling or on holiday. In fact I'm really looking forward to getting home and putting my feet up for a while!"

If it's somewhere to put your feet up you're after, I've got the perfect spot right here!

"Oh really, where that?"
My shoulders!

AN AMERICAN NYMPHO IN LONDON

CAST: Mia Malkova, Sienna Day, Misha Cross, Victoria Pure.

What a great title – harking back, of course, to *An American Werewolf In London*. I wonder if it's too much to ask for a comic cameo from Mrs Ben Dover herself, Linzi Drew...? Yes, it clearly is. The American, in case you couldn't guess, is Mia Malkova, the spectacularly-arsed splosher who's become a fans' favourite in recent years. We're to believe Mia lives in London and likes it 'cos it's filthy! A flashback to her flight over sees her starting off as she means to continue, hooking up with a fellow passenger on her flight over – and a very comely pair they are as he slams into her in a conveniently quiet section of the plane, culminating in a pretty impressive pop over her fanny. Once in The Smoke she runs the gamut of leery men who scoff doughnuts before finding herself in a laundrette with stud Ryan and

Editor's PICK

needless to say, it's not just her laundry that ends up getting a good rinse. Mia gets a rest when chums Misha and Victoria share a cock in a very London looking B&B (complete with trouser-press) and busty Sienna has some work-time fun with her boss. Finally Mia, continuing her transport fetish, picks up a fella on the bus and treats him to a knee-trembler to remember. **Available from your local sex shop.**

Viv Thomas/MetArt

ANGELS 2

CAST: Michelle H, Kira Zen, Adel C, Kalisy, Sabrisse.

For those who prefer the only knob in the vicinity when viewing scruff to be their own, here's another lesbo-only title from Viv Thomas/MetArt. It's a tried and tested formula, so hats off to whoever writes the blurb on the back to give each one a unique spin. Anyway, this one kicks off in sensual style as Kira performs a striptease, accompanied by a tasteful fiddle (both musically, and from Michelle). Once the pair are in bed the girls put in some serious exploratory moves on each other's pussy. It's only fingers and tongues, but none the worse for that as the pair writhe away with genuine tenderness. There's another redhead on display next, as Adel and *Game of Thrones* fan Kalisy go head to tail, keeping on their feet for the most part because there's no bed for them to fall back on. Oddly the next scene sees a rematch between Michelle and Kira – this time in a shower. It's nice and all, but really – the same two girls again? More shower action to close as newbie Sabrisse joins Adel for more tasteful g/g fun. **Available from your local sex shop.**

Wicked Pictures

INSOMNIA

CAST: Mona Wales, Chanel Preston, Jenna Sativa, Eden Sin, Moka Mora.

These hot nights, eh? You can try all you like to nod off, but sometimes you've got to admit defeat and watch a scud flick for a while to see if that does the trick. Not that this one's really aiming at that market – the insomnia in question's a bit more angst-y than that! Mona Wales kicks off watching herself (trick camerawork!) engaging in some anonymous nookie in a motel – apparently it's where she feels most at home as she flees a broken-down past. She can actually act, too, delivering a monologue that's

nowhere near as stilted as you might expect. But is she feeling fulfilled, other than in the 'With cock' sense? Despite the organ-stop nipples I'd say no, she's on a search, and

★★★★☆

it takes a good bit more cock and pussy action before she finds herself. A bit of back story filling-in sees a very nice lesbo pairing of Chanel and Jenna and then a very heartfelt porking for svelte Eden, kicking off with a really sloppy BJ that sees her dribbling all over the place. Moka's no slouch, either, and takes a very satisfying pronging from her musclebound stud before we're back with Mona for a heartwarming finale that sees her genuinely pleased to consummate her new life with a drizzle of harry over the arse.

ULYSSE

Age: 28 Vital Stats: 32B-25-34 5'6"

Photographer: BBM

.....

A woman with long, wavy brown hair is posing in a red harness. The harness consists of multiple red straps that crisscross over her chest, torso, and thighs, secured with silver-colored buckles. She is also wearing a red choker and white lace garters on her thighs. She is standing in front of a brown sofa with a white star-shaped cushion. The background is a light-colored wall with a subtle pattern.

Well, you come across some interesting names in this line of work, but I can't recall ever meeting a model who's named herself after a mythological hero. So Ulysse, what's the big idea?

"Ha, well I studied it at school a bit and I always thought Ulysse was a really cool name, so when it was time to choose a modelling name, I thought 'Why not?'

Why not indeed. So it's not like you're a massive fan of James Joyce, then?

"I started reading it, but I didn't get past page 2!"

Well we're sure our readers won't have the same problem with this set!

M

QUEST...

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we - and here they are!

The past few months have been very exciting. Not only have I left home from a small town and moved to a city but I have also begun my studies

My new-found freedom has led to a number of adventures, and I as I am one of a large number of freshers I have made lots of new friends. It has been fun, and I have

at university. I now have the freedom to choose what I do and when I do it, and life has never been so good.

made the most of my hour-glass figure to reel in as many blokes as I can. I wear my skirts and tops tight to accentuate all my

curves, and naturally I wear thongs so I don't have a panty line to ruin the look. This leaves most men wondering if I am wearing any panties at all, and that of course starts them thinking in the right direction.

Strangely it was not a fellow fresher who took my fancy but a third year med student called Ollie. Ollie was tall and very attractive looking but this was not what attracted me at first. What caught my interest was that Ollie was an individual: he dressed to suit himself, had his own ideas about music and would rather sit in conversation for hours than spend the night at a club. He was also very sexual and loved experimenting sexually, often with two or more partners.

However, while I was fascinated by him I didn't want to share him with others, and luckily he was sufficiently interested in me to give into my request that while we were an item we remain mutually exclusive. I was

so pleased by his promise to only have sex with me that I set out to keep him satisfied, and even agreed to go along with some of his more outrageous ideas to keep our relationship interesting.

In fact I found I was thinking outside the box myself, and one evening when I went around to his flat, I brought some extra pairs of panties and stockings for us to play with. Ollie loved me to dress up for him, as he said the feel of satin and lace against his skin turned him on.

While we were lying on the bed together, I rolled a nylon stocking up each of my arms and began to wank his cock through the sheer nylon stockings. One hand massaged his balls while the other stroked his cock. It did not take long for me to achieve a result in the form of a huge erection, and only moments afterwards Ollie had me on my back and was pushing his thick cock against my throbbing wet labia. I spread my legs wide wrapping them around his waist as he pushed his cock inside my pussy.

Name: KATIE
Age: 18
From: STOKE

After about a minute of thrusting, Ollie withdrew his cock, slowly teasing my pussy lips with his bulbous bell-end, before plunging it in again. My hips pushed up frantically to meet his cock as it slammed back inside me, and I held on tightly with my legs, enjoying the sensation of being right royally fucked.

After a while he settled back down to a steady rhythm, and as he did so, I pushed my stocking-clad hands across his chest and rubbed my hands back and forth

and I gasped as I saw how incredibly firm his erection still was. With a giggle I began sucking on it, but unlike the girls on the films I watch with my friends I could barely take his knob inside without choking on it.

I could see the look of disappointment on his face and felt a little down, but then I remembered that I had one more trick up my sleeve, so I turned around, and, presenting my arse in doggy fashion I looked back over my shoulder and wordlessly dared him to fill my arse with his come.

Ollie was surprised, and at first was a bit unsure that he had heard me right. But I reassured him and wriggled my buttocks at him invitingly. I had plenty of practice with anal sex, as my first boyfriend and I were too shy to buy condoms, and had no other form of contraception.

Ollie fetched a bottle of lubricant and began slowly massaging my ring with it. As I felt his finger gently teasing my ring, my pussy began to throb and I began fingering my clit. Gently he eased his finger in and out of my back passage, kissing the small of my back as he replaced his finger with his cock.

Slowly he eased his cock inside my anus, grasping my hips as he pushed it fully inside. The feeling turned me on so much that I found myself pushing back against him as he started to ride me from behind. In and out and faster and harder he went, pushing his hard-on deep inside me and pulling it back.

I rubbed my stocking-clad hand against my clit, exciting myself as the nylon chafed against my sensitive little bud. All at once I felt Ollie pause and pull back for a second, his body stiffening, then he plunged back inside me, firing his load deep inside my anal passage as he loosed the contents of his swollen balls deep inside me.

Yes indeed: I love my new life here at the University, and I have already learned a lot since coming here!

“SLOWLY HE EASED HIS COCK INSIDE MY ANUS, GRASPING MY HIPS AS HE PUSHED IT FULLY INSIDE.”

I have to admit to being one of those girls who can't be on their own. Since I was in my early teens, I've never been without a boyfriend. My friends have all commented

at one time or other that this isn't that healthy, but I'm just not happy unless I'm in a couple. That is, until about six months ago, when I split up with my last boyfriend. The relationship itself hadn't been great for a while, but we stayed together because the sex was mindblowing. However, as soon as we finally called the relationship quits, I completely went off sex. And I mean, totally. It was like 100mph to a standstill in the space of a day!

One night I was over at my mate Jessie's house having a bit of a moan about it. She's a great listener: always sympathetic, but this time she was saying I had to be more positive and that there was going to be someone out there to set the sparks flying again. I snorted at that and said I'd stick to wanking – that fucking and relationships just got me grief and nobody knew how to get me off as well as I could do it myself.

Jessie laughed and told me I was talking bollocks. I might know where my own 'sweet spots' were, but it was always loads better when someone else found them! To prove her point, she started

against his nipples.

He squirmed with pleasure as my pussy clenched around his cock, and the friction from my nylon-encased hands tormented his nipples. Gasping with need he plunged his cock in and out of me like a piston, fucking me so hard that I could not hold back

“I SPREAD MY LEGS WIDE, WRAPPING THEM AROUND HIS WAIST AS HE PUSHED HIS COCK INSIDE MY PUSSY.”

and I found myself crying out in bliss as I came off hard, my pussy convulsing around his thick shaft until I was spent.

My pussy was still in spasm as Ollie withdrew his hard rod,

tickling my inner elbow, which sent me off into fits of giggles, then asked me if there was any way I could possibly tickle myself like that. "Yeah, okay, fair point," I told her,

"AS SHE TICKLED AND PROBED ME, FINDING MY G-SPOT IN NO TIME, I FELT MYSELF GETTING HOTTER AND WETTER..."

"but it doesn't apply to wanking."

Jessie gave me this smug, annoying look, and slipped her hand inside the knickers I was wearing under my nightshirt. "Whatever you say..." she commented,

sex with men and women constantly – but she'd never done anything more than hug me up to now. In fact, I'd never got even a hint that she was interested in me in that

way. It was all a little confusing. But as she moved her hand, I felt a little jolt of pleasure rush through my clit, then another, and another. Surprised at my own body, I glanced up at

Jessie and she grinned at me.

"Tell you what," she said, "Just let me carry on for a few minutes. Then we'll see if you'd rather take over or let me finish you off! I bet you the next bottle of wine in the

same time.

Jessie upped her speed and was soon fingering me hard and I began to buck my hips, moving them in the opposite direction

"WHEN SHE SLID TWO FINGERS DEEP INSIDE MY PUSSY AND SPREAD THEM WIDE APART IT NEARLY SENT ME OVER THE EDGE..."

to her hand, gasping as all the nerves in my clitoris were stretched and stroked. I didn't even try to stay in control. I just let

ignoring my shocked look. At first she sort of cradled my pussy, moulding her hand around my labia and gently pressing them together round my clitoris.

"Do you like that?" she murmured. If I'm honest, at that point I wasn't sure. I think I was in a bit of a state of shock and was still trying to get my head around the whole situation. I've always known that Jessie has a high sex drive – she goes on about

pub that you'll be begging me for more!"

"Big words!" I almost croaked, my voice letting me down as my lust began shining through. Then suddenly Jessie crooked a fingertip into my snatch and I heard myself moan loudly with both surprise and delight. As she tickled and probed me, finding my G-spot in no time, I felt myself get hotter and wetter, the trickle of juices turning into a gush as she started rubbing my clit at the

go and was barely aware of the little cries and moans that I was emitting. Jessie

muffled these with a kiss, her tongue sliding between my lips to brush against mine. It was the horniest thing ever. I felt

get her off too. I was pleasantly surprised to find that she was soaking when I stuck my hand between her legs and, as I played with her clit she started writhing around under my hand. It was obvious that she wanted filling, so I moved my hand a bit and two of my fingers slid inside her pussy like a warm knife through butter. I fucked her

second I felt her snatch coming, it turned me on so much that it set my own climax in motion. I came so hard that I shuddered and shook, to the point when Jessie laughed at the concentration on my face!

dry on my tits. I playfully slapped her arse as punishment, before we snuggled up close, sucking our pussy juices off each other's fingers.

That evening was a bit of a breakthrough for me – not just fucking Jessie for the first time, but realising that I was actually still

them around my digits – and a little more rubbing soon brought her to orgasm. The

a sexual being and was definitely up for fucking again! I don't want to rush into a relationship any time soon – and Jessie and I have agreed that being regular fuck-buddies would overshadow our friendship – but our night of passion made me realize that I'm open to new experiences. And, of course, Jessie was right that sex is definitely better with someone else – and that that someone else is not necessarily a man!

like fireworks were going off in my head already, but when she slid two fingers deep inside my pussy and spread them wide apart to open me up, it nearly sent me over the edge. It was like nothing I'd ever felt before. How had I not discovered that trick myself? It was amazing! I threw my head back with utter bliss. But, just when I was getting into it, she suddenly stopped.

I let out a “whaaaa?” noise in spite of myself, however I could have screamed! One moment I was in heaven, the next I came crashing back to earth. This was all part of her plan, it seemed.

“Right, there ya go – I've warned you up. You can finish yourself off,” she told me, trying not to laugh at the face I made. I didn't say a word, I just looked her straight in the eye, grabbed her hand and pulled it back to my crotch.

She'd been right, and I was big enough to admit it. Luckily for me there was no more messing around – she carried on wanking me, and it seemed only right to

AMANDA

Wind your way along the twisting lanes of Devon, through a cluster of remote villages, and you'll eventually find a converted chapel. This is now the home of 24-year-old Amanda Kendall. Born and bred in Nottingham, Amanda inherited the ramshackle house two years ago from a long-lost eccentric aunt, shortly after her Mayfair debut. Now the girl who used to go to the Goose Fair has a fair number of geese herself. "I think it was Auntie's way of congratulating me on being so daring," said Amanda with a wry smile.

MAYFAIR
Classic

Photographed by Peter Williams

But living on the edge of Dartmoor has not been as romantic as Amanda had hoped. "Being a D H Lawrence fan, I was expecting to lure a randy gamekeeper by now," she sighed. "But so far all I've caught is a cold!" However, Amanda hasn't spent all her time alone. "I did take an old boyfriend up to a lonely part of Dartmoor for a picnic and a bit of a cuddle," she recalled. "But wound up sharing the car with three horses!"

MAYFAIR Classic

A slice of history right here, folks – 26.02 was the first issue of *Mayfair* after Paul Raymond bought the title from Fisk, and this set of Amanda was the very first set to appear in that issue. So what do you think? Was it a likely story that the blonde babe inherited a ramshackle house in Devon from an aunt, and liked to spend her time there reading DH Lawrence? Possibly – things were very different 27 years ago, after all! Hang on, was it only 27 years ago, in 1991?! Lummy, doesn't time fly?

Sorry? "The guy I was with insisted on feeding one of the wild ponies through the car door, and we couldn't get rid of it. It was halfway in trying to eat our picnic. Then another turned up and another. They wouldn't move until they'd chomped their way through everything we had. Even when we shut the door, it was difficult getting down to any serious passion with three ponies staring through the windscreen. You don't get that in Nottingham!"

MAYFAIR

Vol.53 No.9

On Sale August 22nd

Ah, the sultry summer days are here alright – I personally can't remember the last time I saw a drop of rain, and frankly it's getting a bit much. Sitting in the *Mayfair* office is hot and bothersome enough, without Sahara-like conditions wafting in through the windows. Still, It could be worse – I could be working in an office that doesn't have gorgeous ladies streaming through it all the time! So no – try not to feel too sorry for me, because we've just had visits from two very lovely sorts who we'll be putting in the mag next month, newbie Saskia and the lovely Vanessa!
